## Height adjusters

Level tables on uneven floors

A number of table bases can be fitted with height adjusters to allow the table to be levelled when placed on an uneven floor. The adjusters are adjusted from the top and are captive, hence they cannot be detached from the base.

Adjusters are available on the following tables: TA7401, TA7402, TA7403 and TA7405.

## Flip-top mechanism

Table tops can be flipped 90° for easier storage

All of the table bases on pages 1-9 can be supplied with an optional flip-top mechanism. The mechanism is robustly made and simple to use.

## Table top finishes

Options to suit any budget

A massive selection of table top finishes is available for the bases shown in this catalogue, including laminates, veneers and solid wood. Please contact the sales office for advice on the full range of options.
